David,

Here are comments on the draft waiver document you passed along. As we understand the document's structure was directed by EPA political management, we did not review for policy rationale. Thanks

**Subject:** draft withdrawal of CA waiver

As discussed at the meeting this week with Bill Wehrum, OGC has put together the attached draft notice proposing to withdraw CA's waivers for the advanced clean car program for model years 2022-2025 for ZEV and GHG standards.
